REMARKS

The Office indicated in the communication dated August 13, 2007 that Applicants' Amendment filed on August 6, 2007 was considered non-compliant because of a failure to provide a complete listing of all of the claims. Correction within one month was required by the Office. Herein please find a corrected claim set containing the required correction, in particular an indication that Claims 1 – 41 have been canceled.

As detailed in the Notice of Non-Compliant Amendment, Applicants have only resubmitted the corrected claim set. Remarks presented in our prior response are not repeated herein but believed to address all pending rejections.

Reconsideration of the present application is respectfully requested.
